Marcy,

If Lt. Heredia is okay with it. Could you reach out to Dr. Adcock? He was very helpful in our reorganization of the cold case unit. He is a gold-mine of useful information.

Thanks,

Matt, I realize you7 have been promoted and are no longer with the cold case unit. But can you tell me if it has progressed and if so how did they do it?

With that said please see attached documents. The NIJ document on cold case best practices is due out in January 2019. Jim

Since 1980 we have accumulated over 248,993 unsolved Homicides (Adcock, October 2018).
